From The Chairman

Welcome to another afternoon of football at Karori Park and a warm welcome to today's visitors Wellington United.

There were positive results for our Central League side and the Reserves last weekend. Great reward for the work put in by both squads and Rupert and his coaching staff. Impressively, Richard and Ryan have guided the very exciting and youthful Reserves to a position to challenge for promotion. The Reserves provide a great bridge to senior football for our youth footballers.

The 2018 World Cup in Russia continues to deliver stellar matches and fantastic new talent. The technique levels, fitness and pace at which all participant countries are competing is mind-boggling. Aside from one or two blow-outs, the gap between the supposedly top and bottom sides has closed right up. The Fifa rankings will be in for a right shake-up at the conclusion of the tournament.

The All Whites performances and result against Peru, particularly in the first leg at the Cake Tin, show the margins in international football are fine. This reflects football in general, the higher the level the more imperative it becomes to convert those diminishing goal scoring opportunities. That's one thing that will never change in the game, the importance of having a proven goal scorer.

Talking of NZ Football, another week passes and more public revelations have come to light about the organisation. As stakeholders in the game we should all take great interest and expect answers from the 'review'.

It is essential to respect the review process and not undermine the work of the reviewer with unhelpful distractions. However, for the sake of the game here in New Zealand, it must be an expeditious investigation and findings should be made public. The NZ Football Board must be transparent to maintain trust.

Go the Wharfies. And, please join us for refreshments in the clubrooms afterwards.

Chairman

Match Report

This game couldn't come quick enough for the lads after a disappointing cup exit in extra time the week before, falling 6-3 to Western Suburbs.

The pitch at Hutt Park looked the part but it was a different story when trying to play the football we want to play. It was bobbly, soft and difficult to get the ball moving. We managed though and straight from the whistle we attacked with some free flowing football and could have been one up after the first minute. We didn't stop playing attacking football and were rewarded on the half hour mark when our talisman Ryan Cain produced a left foot lob from the corner of the box which dropped nicely into the bottom corner. Thoroughly deserved the 1 goal which took us into the sheds in front.

Second half started the way we wanted with us again on the attack. It's a beautiful thing watching these lads do what they're told and what they practice each week, its really pleasing. Tor 'scores when he wants' Davenport-Peterson decided exactly that, he collected the ball from just inside the Stop Out half and ran about 15 metres before putting his cigar down and letting rip from around 20 yards - 2 nil!

Our possession was showing with quite a few clear cut chances that were denied by some good goalkeeping, the goalie couldn't do it all game and Ryan again was rewarded for his endeavour and hard work with a rasping goal from the edge of the box into the bottom corner, 3 nil.

I was saying to Crumpy how good it would be to win this game the way we did and to keep a clean sheet would be the icing on the cake, he told me to shut up and fair enough, 10 minutes later with 5 minutes to go we concede. Lesson learnt.

I'd like to mention James Knott who is our 17 year old first team make-shift left back who was and has been terrific for us in that position all season (I hope I haven't cursed him). Also a big shout to Kim who never tires and works tirelessly and sometimes doesn't get his just rewards.

The application and desire from this group of lads is something to be seen. I'm super proud as is Crumpy. They know though that this is long from settled and we park last week's result and go again this week, the week after and the week after that and the week after that and chop wood and carry water.

Welcome Wellington United and their management team, we as always, look forward to hosting you at Karori Park and in the club rooms after the game.

Reserve's Report

We would like to welcome Tawa and their supporters to Karori Park this afternoon. It's our first meeting this year even though we are well into the second round.

Last week we had a top of the table clash against Victoria University at Kelburn Park. The match was exciting from start to finish. Tyler Hornsby came close to putting us ahead after 10 seconds but couldn't quite connect with the cross from Rogier Kerbus.

In the 9th minute University were awarded a penalty when the University striker was pushed. The penalty was taken well and we were one behind. However, University's lead was short lived. In the 11th minute Cole Hosking-Berge delivered from the left and Ramsey Tawnggee slotted home from inside the goal box.

Two minutes later Rogier cut in from the right and hit a glorious shot from the edge of the box for a 2-1 lead. But University equalised from a corner in the 17th minute. The first half continued to be played at a high tempo with strong tackles but no further goals were scored.

The second half continued in the same vein. In the 60th minute we were awarded a free kick just outside the box. The initial attempt failed but the rebound came to George Hercus who blasted it into the net from close range. Some

say it took a massive deflection and should be classed as an own goal, but George doesn't see it that way.

The game remained competitive and intense until the end with both teams playing to win so they could go top of the table. There was goal mouth action, heavy tackles and a few yellow cards. University threw everything at us as they searched for the equaliser. In the 92nd minute they got their chance as their striker was put through but Felix Nystrom pulled off a brilliant save. Their last gasp effort came in the 94th minute when a cross from the right was headed over. At last the final whistle blew - a fantastic 3-2 victory.

An awesome team effort - everyone worked hard and played for each other.

Player points vs Victoria University:

Ramsey Tawngdee - 3 points;

George Hercus - 2 points;

Lewis Miller - 1 point
